I am a JavaScript Developer that focuses on front end frameworks such as React. I have a passion for building Dynamic and Responsive web applications. To grow my skills, I focus on building single page applications using modern web technologies such as (ReactJs, Bootstrap, SASS and GulpJs ).

## EXPERIENCE

**MAY 2018 – AUG 2018**

**FRONT-END NANODEGREE PROGRAM, UDACITY**

In these 4 months nanodegree we learned the unique skills to build and develop a variety of construct responsive websites and applications using CSS, Flexbox, Grid, JavaScript, and HTML. We learned advanced JavaScript, (ES6+) and Asynchronous. Using React components to build interactive, dynamic web applications.

**JUN 2017 – AUG 2017**

**INTERN, TELECOM EGYPT**

In this intern we took a closer look at the infrastructure of the World Wide Web and the transfer protocols such as (TCP / IP / HTTP / HTTPS). And the definition of (URL's, Domains, and Web Hosting).

## SKILLS

- Experience of using HTML5, CSS3 and JavaScript to develop interactive websites and UI applications
- Good understanding of JavaScript (Higher order, Callback functions, promises and closures) and the DOM to dictate page content, interactions and working with Browser Events.
- Good understanding of JavaScript (ES6+) and OOP.
- Good knowledge in Jest unit testing.
- Good understanding of Web APIs and Asynchronous Applications
- Knowledge with software development practices, code reviews and testing.
- Comfortable with writing, editing, and maintaining tests.
- Experience with React and Redux
- Experience with Bootstrap 5
- Experience with SASS and GulpJs
- Experience with NPM and Git
- Knowledge of RESTful API.

## EDUCATION

**JUN 2020**

**ELECTRONICS AND COMMUNICATIONS, FACULTY OF ENGINEERING, ALEXANDRIA UNIVERSITY**

Bachelor's degree in software development where we focused on creating and building Embedded Systems using programming languages such as (C and Python). Soft skills we focused on solving modern problems, Brainstorming, working under pressure, working with teams, and having deadlines.

## LANGUAGES

- Excellent level of English
- Fluent in Arabic
